

UPDATES FROM THE HILL **TIGER PRIDE** BACK TO SCHOOL EDITION

Tiger Class of 2022 greeted during Move-In

During Move-In, ETBU students, faculty, and staff descended upon the students' vehicles to grab their belongings and carry them up to their new college home. By the time the cars were parked and students arrived in their rooms, all of their belongings were waiting for them. We are so grateful for all of our volunteers who make ETBU Move-In special for our new Tigers and their families each year.

Upperclassmen welcome new students during Tiger Camp

ETBU welcomed over 500 new students to campus for the Fall 2018 semester. To help new students feel connected to the Tiger Family, returning student leaders and University staff hosted Tiger Camp. These five days are designed to help new Tigers become acquainted with each other, connect to their new home away from home, and learn about ETBU's campus life and tradition. To see everything our students were up to during Tiger Camp, watch the video and view our Facebook [album](#).

ETBU Legacy students join the Tiger Family

The Alumni Office welcomed 18 Legacy students to campus this fall. These Legacy students are children of ETBU alumni, who are attending their parent's alma mater. We love reconnecting with these Tiger alumni families and look forward to getting to know our newest Legacy students during their time on the Hill.

Phase II of University Park opens

On August 1, students began moving into Phase II of the newly completed row houses in University Park on the north end of campus. With the impact of growing enrollment on residence life, ETBU constructed the Louise Ornelas University Park to replace Van Zandt Apartments built in the early 1970s. The on-campus residential development offers a modern living-learning student row house community for up to 132 residents.

New Outdoor Recreation Park added to campus

A new recreation area for students was completed over the summer, including an outdoor basketball court, two sand volleyball courts, and a swimming pool. Located between Fry Hall and Jarrett Library, these new additions provide additional on-campus recreation options for our growing student body.
