

Using Zoom From a Smart Phone

1. Download the application from the app or google play store.

2. Open the application. You will see this first page. You can enter a Meeting ID without creating an account. If you would like to sign up or sign in, you may choose those options at the bottom of the screen.

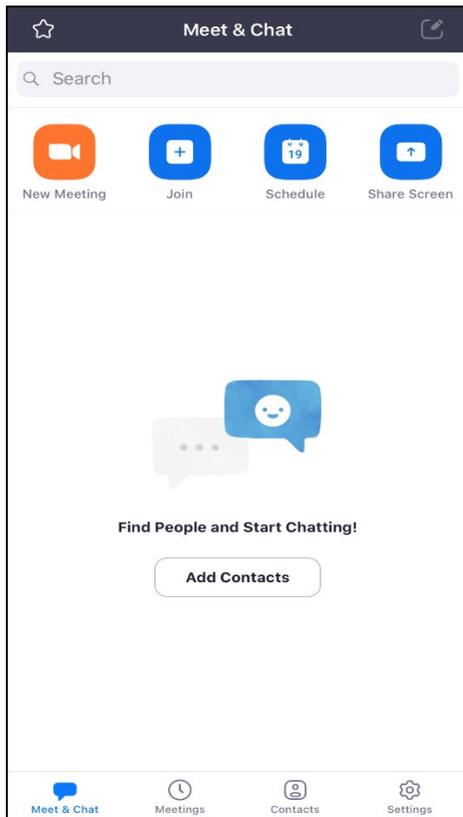

3. If you would like to start a meeting without logging in you will choose “Join a Meeting” and it will take you to the page below. It is very important that you leave “Don’t Connect to Audio” and “Turn Off My Video” unchecked. Enter the Meeting ID at the top and choose “Join.”

The screenshot shows the 'Join a Meeting' screen in the Zoom mobile app. At the top left is a 'Cancel' link, and at the top center is the title 'Join a Meeting'. Below the title is a text input field for 'Meeting ID'. Underneath is a link that says 'Join with a personal link name'. The device type is identified as 'iPhone'. A large blue 'Join' button is centered on the screen. Below the button is a note: 'If you received an invitation link, tap on the link again to join the meeting'. Under the heading 'JOIN OPTIONS', there are two toggle switches: 'Don't Connect To Audio' and 'Turn Off My Video', both of which are currently turned off. At the bottom of the screen is a numeric keypad with numbers 1 through 6, each with its corresponding letters (1, 2 ABC, 3 DEF, 4 GHI, 5 JKL, 6 MNO).

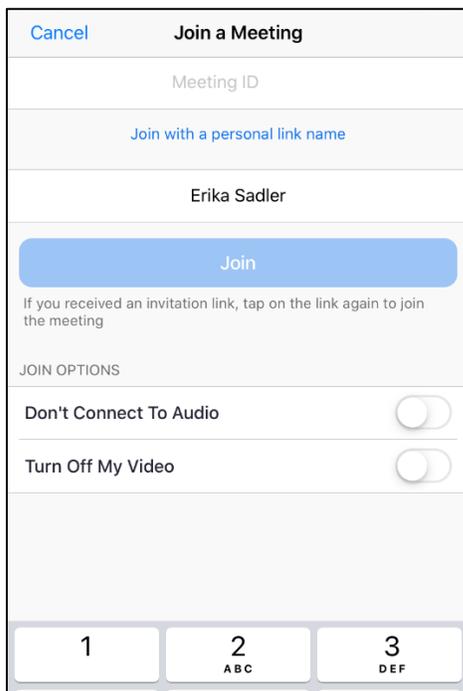

4. If you choose the sign in or sign up option, it will bring you to a page similar to the one below. Sign in or sign up following the Zoom prompts.

The screenshot shows the 'Sign In' screen in the Zoom mobile app. At the top left is a 'Cancel' link, and at the top center is the title 'Sign In'. Below the title are two text input fields: 'Email Address' and 'Password'. A large blue 'Sign In' button is centered on the screen. Below the button is a link that says 'Forgot password?'. Under the heading 'OR, SIGN IN WITH', there are three options: 'SSO' with a key icon, 'Google' with the Google logo, and 'Facebook' with the Facebook logo. Each option has a right-pointing chevron icon.

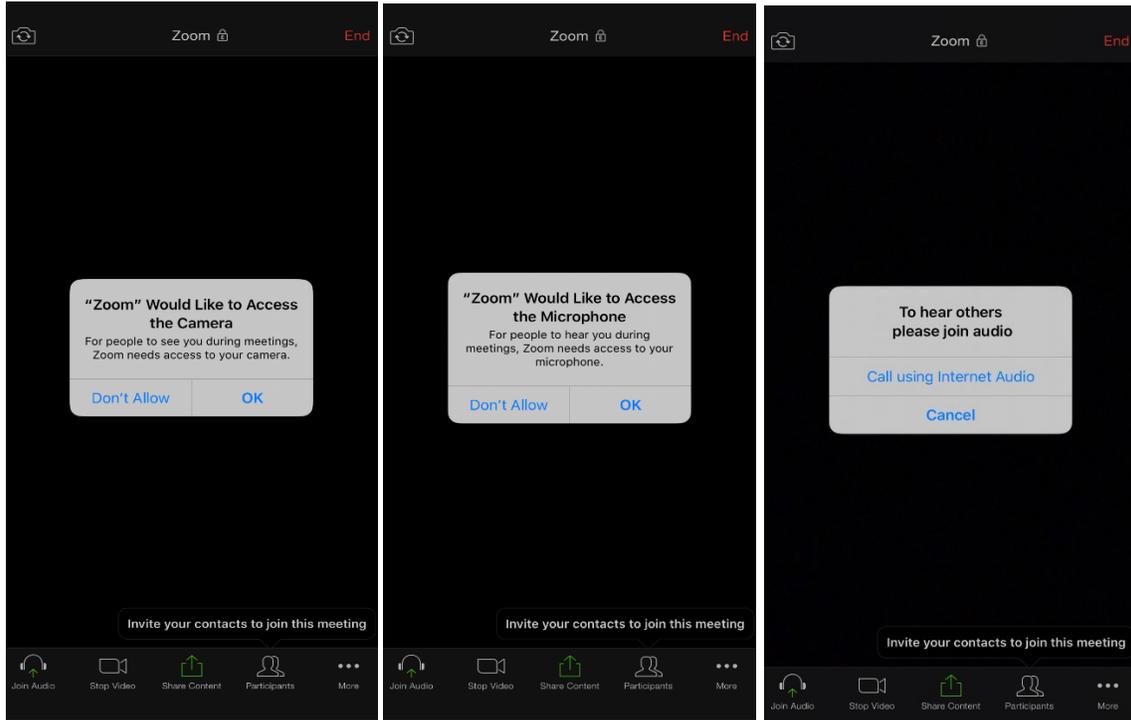

5. After signing up or signing in you will see your home screen.

6. You can join a meeting by choosing the "Join" button at the top of the page. It will take you to this page.

7. Enter the Meeting ID at the top of the screen. It is very important that you leave “Don’t Connect to Audio” and “Turn Off My Video” unchecked. Choose “Join.” You will see several pop-up permission requests such as “Zoom Would Like to Access the Camera,” “Zoom Would Like to Access the Microphone,” and “To hear others please join audio.” It is important that you choose “Allow” and “Call using Internet Audio” or else you will not be able to hear or see the other person in the meeting.

8. Your final screen will be showing yourself and your meeting partner. Please make sure that at the bottom of your screen the “Mute” and “Stop Video” are unchecked like below.
